

## The Connecticut State Employees Campaign (CSEC) puts the FUN in Fundraising!

We have several exciting events for YOU to have fun with colleagues, family and friends while giving back to YOUR community through the CSEC! For all events, you are getting great discounted tickets AND supporting the CSEC. As a reminder, YOUR support makes possible a wide range of vital services such as shelter for the homeless, protection of the environment, research for cures of diseases, care for children and seniors and much more! We hope to see you at one or many of our events. *Stay tuned as this list continues to grow!*
